### **Section 1: Introduction**

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to adopt and maintain a publication scheme which has the approval of the Scottish Information Commissioner, and publish information in accordance with that scheme. The publication scheme must:

- publish the classes of information that the authority makes routinely available
- tell the public how to access the information and whether information is available free of charge or on payment

Capital Theatres (Festival and King's Theatres and The Studio Edinburgh) has been designated as a Scottish Public Authority by an order made under section 5 of the Act, known as the Freedom of Information (Scotland) Act 2002 (Designation of Persons as Scottish Public Authorities) Order 2013.

Capital Theatres (Festival and King's Theatres and The Studio Edinburgh) has adopted the **Model Publication Scheme (updated July 2017)** which has been produced and approved by the Scottish Information Commissioner.

You can see this scheme on our website at [www.capitaltheatres.com/foi](http://www.capitaltheatres.com/foi) It is also available on the Scottish Information Commissioner's website at [www.itspubliknowledge.info/MPS](http://www.itspubliknowledge.info/MPS)

You can also contact us at the address below if you prefer a copy of the Model Publication Scheme, or this Guide to Information, to be provided in a different format.

The purpose of the Guide to Information is to:

- allow the public to see what information is available (and what is not available) for Capital Theatres (Festival and King's Theatres and The Studio Edinburgh) in relation to each class in the Model Publication Scheme (updated July 2017)
- state what charges may be applied
- explain how to find the information easily
- provide contact details for enquiries and to get help with access to the information
- explain how to request information that has not been published.

Alongside the Act, the Environmental Information (Scotland) Regulations 2004 (the EIRs) provide a separate right of access to the environmental information that we hold. This guide to information also contains details of the environmental information that we routinely make available.

## **Section 2: About Capital Theatres (Festival and King's Theatres and The Studio Edinburgh)**

Capital Theatres is a Company Limited by Guarantee (registered in Scotland 134619) and also a registered Charity (SC018605). The Trust was incorporated in October 1991 as Empire Theatre Trust and renamed Edinburgh Festival Theatre Trust in 1992 with the purpose of refurbishing the former Empire Theatre into what now stands as the Festival

Theatre. The Trust changed again in July 1998 to The Festival City Theatres Trust when it took on responsibility from the City of Edinburgh Council for managing the King's Theatre. In February 1999 the name changed again to Festival City Theatres Trust. In February 2018 the name changed again to Capital Theatres.

Capital Theatres Trading Ltd (SC133567) is a wholly owned subsidiary of the organisation and provides bar, catering, programme, ice cream sales and other supporting services at the theatres. The operating surplus is donated to Capital Theatres utilising Gift Aid.

## Objectives

The organisation aims to have its theatres recognised internationally as centres of excellence in Scotland, to be engaged with the local community and to present work of the highest quality that stimulates, entertains and inspires. The organisation's mission is to enhance the reputation of its theatres by presenting a programme of quality work from Scottish, UK and international companies and to give leadership, support and exemplary levels of care to visiting companies, stakeholders, customers and its own staff.

The Festival Theatre, situated on the longest running continuous theatre site in Edinburgh, opened in June 1994 boasting, at that time, the largest stage in the UK, a 1915 seat auditorium, spacious bars and function suites, an iconic glass façade and state of the art stage equipment and back stage facilities. The Festival Theatre quickly gained a national and international reputation as one of the UK's premiere presenting venues. In 2013, The Studio was added to the existing building providing much needed rehearsal and small-scale performance space.

Home to the Edinburgh Pantomime since its foundation in 1906, the King's Theatre, 1319 seats, is the home of West End drama and musicals, family theatre and also supports the long tradition of amateur theatre making in Edinburgh. As with the Festival Theatre, the King's Theatre hosts the Edinburgh International Festival each August.

Capital Theatres is regulated by the Office of the Scottish Charity Regulator (OSCR). Capital Theatres is a member of UK Theatre (formerly TMA) and the Federation of Scottish Theatres.

## **Section 4 Information that we may withhold**

All information covered by our Guide to Information can either be accessed through our website, or will be provided promptly following our receipt of your request.

Our aim in adopting the Commissioner's Model Publication Scheme and in maintaining this Guide to Information is to be as open as possible. You should note, however, that

there may be limited circumstances where information will be withheld from one of the classes of information listed in “Section 10 – Classes of Information”. Information will only be withheld, however, where the Act (or, in the case of environmental information, the EIRs) expressly permits it.

Information may be withheld, for example, where its disclosure would breach the law of confidentiality, harm an organisation’s commercial interests, or endanger the protection of the environment.

Information may also be withheld if it is another person’s personal information, and its release would breach the data protection legislation.

Whenever information is withheld we will inform you of this, and will set out why that information cannot be released. Even where information is withheld it will, in many cases, be possible to provide copies with the withheld information edited out. If you wish to complain about any information which has been withheld from you, please refer to “Section 8 – Contact details for enquiries, feedback and complaints”.

Information will not be provided to you until payment has been received.

There is no charge to view information on our website or at our premises.

### **Reproduction Charges**

## **Section 9: How to Access Information which is not available in the Guide to Information**

If the information you are seeking is not available via the Model Publication Scheme (as described in this Guide) then you may wish to request it from us.

The Act provides you with a right of access to the information we hold, subject to certain exemptions. The EIRs separately provide a right of access to the environmental information we hold, while the Data Protection Act 1998 (DPA) provides a right of access to any personal information about you that we hold.

Again, these rights are subject to certain exceptions or exemptions. Should you wish to request a copy of any information that we hold that is not available under the Model Publication Scheme (and described in this Guide), please write to:

Head of Press and Communications

### **Charges for information which is not available under the scheme:**

The charges for information which is available under Capital Theatres (Festival and King's Theatres and The Studio Edinburgh) Guide to Information are set out under "Section 5 – Our Charging Policy".

If you submit a request to us for information which is not available in this Guide the charges will be based on the following calculations:

General information requests:

- There will be no charge for information requests which cost us £100 or less to process.
- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

- We are not obliged to respond to requests which will cost us over £600 to process.
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you.
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

### **Charges for environmental information:**

Environmental information is provided under the EIRs rather than the Act. The rules for charging for environmental information are slightly different.

We do not charge for the time to determine whether we hold the environmental information requested, or deciding whether the information can be released. Charges may be made for locating, retrieving and providing information to you e.g. photocopying and postage. In the event that we decide to impose a charge we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges are calculated on the basis of the actual cost to Capital Theatres (Festival and King's Theatres and The Studio Edinburgh) of providing the information.

- Photocopying is charged at 10p per A4 sheet for black and white copying, 20p per A4 sheet for colour copying.
- Postage is charged at actual rate for Royal Mail First Class.
- Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.

The first £100 worth of information will be provided to you without charge.

Where information costs between £100 and £600 to provide, you will be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

Where it would cost more than £600 to provide the information to you, however, we will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost.

### **Charge for request for your own personal data**

The charge is a standard fee of £10.00 plus any reproduction and postage costs (both on the same basis as for FOI requests).

## **Section 10: Classes of Information**

### **The classes of information that we publish**
